

## **Further Steps into Plumbing**

### **Introduction to this course**

Moving into the further steps into plumbing course our plumbers will now instruct you in the installation some sanitary ware such as sinks, baths and wc's. You will use different techniques, tools, equipment and material to complete these tasks under the supervision of our full qualified staff. Safe use of some power tools will also be introduced. (Completion of the Yeovil College next steps into plumbing course is required)

You must have completed the first steps and the next steps programme to enrol on this night school course

### **Duration of this course**

**Duration:** 10 Week Course

**Time:** 6pm till 8:30pm

### **Expenses for this course**

**Course Fee:** £75

**Materials Fee:** £20
