

Creative Ceramics

Course Name	Start Date	End Date	Site
Creative Ceramics Night School	16/01/2020	26/03/2020	College Main Site
Creative Ceramics Night School	23/04/2020	02/07/2020	College Main Site

Course Overview

On this fun evening class you will develop basic ceramics skills exploring pinching, slabbing, impressing, coiling and throwing through a series of workshops. The workshops will be negotiable with the tutor. After the workshops you will produce a final outcome. No previous experience necessary.

, On this fun evening class you will develop basic ceramics skills exploring pinching, slabbing, impressing, coiling, throwing and how to use glazes through a series of workshops. This course will give you an opportunity to create some ceramic work that you've always wanted such as making your own designer mug, vase, bowl or just something beautiful. The tutor is always on hand for advice and help. This is a chance for you to get creative with clay in a fun, friendly class. No previous experience necessary, but if you have you can still attend and extend your skills. Everyone is welcome.

After The Course

You could enrol onto another Night School course or apply to progress onto our Level 3+ Pre-Degree Foundation Diploma in Art and Design

What Will I Learn

You will learn how to use a variety of tools and techniques related to pinching, slabbing, impressing, coiling, throwing and using glazes.

Our Lecturers

Your lecturers are specialists in developing your skills to progress to your next level - most continue to work in the Creative Industries themselves!

Teaching Learning and Assessment

Through structured, practical classroom activities and demonstrations using a variety of Ceramic and Pottery resources provided. You will work on specific tasks with individual support from the lecturer.
