

## First Steps into Becoming a Vehicle Technician

Course Name	Start Date	End Date	Site
First steps into becoming a vehicle technician	12/12/2019	12/03/2020	College Main Site

### Course Overview

Being able to get around easily is essential to modern life. Whether you need your car to commute, get the kids from A to B or for trips out, a basic knowledge of how to look after and maintain your vehicle is a must have. This course aims to help you develop your knowledge and confidence in this area. It is also a useful starting point for anyone thinking of taking a full-time course in Motor Vehicle Maintenance.

### Qualification Gained

This course is college certificated.

### After The Course

You may wish to look at one of our motor vehicle full time courses to gain a recognised Motor vehicle qualification.

### What Will I Learn

You will learn how to carry out basic vehicle checks including how to monitor fluid levels, tyre pressures and how to check vital systems such as tyres and brakes.

### Our Lecturers

Our lecturers have a passion for the motor vehicle industry. All have been technicians in the trade and regularly attend events to ensure their skills are up to date and relevant in the rapidly changing motor vehicle sector in which we work. They are passionate about sharing their skills and knowledge with the like-minded technicians.
